About Us

Established in the year 2001, "N.S.C. Electronics" are one of the prominent manufacturer and exporter of diversified range of Air Curtains and products like Ventilation Systems - Industrial Ventilation Systems, Air Ventilation Systems, PVC Strip Curtains, Fly Killers, Rat Repeller, Soap Dispenser, Shoe Shining Machine and Hand Dryer. Our ventilation systems and other electronic items are manufactured using quality raw material such as steel, aluminum and plastic that are sourced from the trustworthy vendors of Holland and Philippines. Moreover, these electronic items like ventilation systems are easy to install, durable and meet the requirements of clinics, auditoriums, offices and shopping complexes.

With complete knowledge of our professionals about industrial ventilation systems, air ventilation systems and other electrical items enables us to develop new products like Industrial Air Curtains, Powder Coated Air Curtains, Stainless Steel Air Curtains, Aluminum Air Curtains, Vertical Air Curtains, Sensor Air Curtains, Filter Air Curtains, Custom Air Curtains, Super Sleek Air Curtains etc. This helps us in catering to varied requirements of our clients, situated all over the world. Our professionals work in sync with each to deliver products that are durable and are in line with set industry standards.
